

BEFORE AND AFTER SCHOOL SUPERVISION PARENT NOTIFICATION

Student safety at Bullarto Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised for students who are bus travellers from 8:20 am. All other students are supervised from 8:45 am.

After school: School grounds are supervised until 3:45 pm. All students will be supervised in the yard area where the playground structure is at the bus stop only

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact the Principal on 03 53485559 or bullarto.ps@education.vic.gov.au for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements.

A copy of our school's Yard Duty and Supervision Policy can be found on the school website. This policy includes Example School's student supervision arrangements across the school day, including before and after school.
